COMPREHENSIVE FINANCIAL SOLUTIONS

Since 1979, I have been serving the accounting needs of small businesses and individuals with the objective of helping you achieve your *financial goals*. Many of you value this dedication and sought my services yearly for over 20 years.

My commitment to your success continues to grow, and now includes providing you with comprehensive financial solutions.

The expanded team I assemble is dedicated to providing you this service and value at the high level of trust and competence you have come to expect.

Tom Healy

A "One-Firm" Service Concept

Through referral to other specialists, I offer value-added services typically available through 'big-firms,' but provided with my personal service.

To assure your strong financial future and secure retirement, I offer these services:

- Business advisor service
- Management advice and accounting
- Coordinating with investment advisors to manage retirement accounts
- Coordinating with insurance agents to obtain key person insurance
- Tax compliance
- Business transition planning
- Executive benefit compensation
- Philanthropic planning
- Estate planning

Your goals are my business

My personal service begins with an understanding of your business and financial goals. My discovery and diagnosis methods help quantify your strengths and opportunities. These methods also identify the unrecognized risks that can be the greatest threat to personal and business finance. Innovative strategies and resources combine into a winning financial game-plan that is personal, cost-effective and achievable.

Applying a collaborative team-oriented approach enables me to respond to your ever-changing needs and to creatively develop the optimal solution for your personal and business success.

Consider me a partner in your success!
